

Division Governor Contract

Division Governor provides leadership to Area Governors. The success of your Division, and the District as a whole, depends on how well you execute your duties and assist your Area Governors. To help you be effective, Toastmasters International has adopted the following minimum performance standards:

1. Focus on membership growth and education achievements in Areas and Clubs such that your Division is at least Distinguished.
2. Motivate and assist every Area to become a Distinguished Area.
3. Ensure that your Area Governors understand the service roles they play in helping Clubs be successful.
4. Contact Area Governors monthly about their Distinguished Area goals, and how they contribute to the Distinguished Division goals.
5. Ensure no net loss of clubs in your Division, and assist the Area Governor in building at least one club per Area.
6. Hold four Division Council meetings per year.
7. Participate in District Training, Conferences and Council Meetings, and motivate your Area Governors to also attend.
